

L2 Counsel Represents doc.ai in Sharecare Aquisition

Legal team led by Louis Lehot and Natasha Allen

California, Palo Alto, Jan 30, 2021 ([IssueWire.com](https://www.issuewire.com)) - [L2 Counsel](#) represented [doc.ai](#) in the acquisition by [Sharecare](#), the digital health company that helps people manage all their health in one place. A significant shareholder in [doc.ai](#), [Anthem, Inc.](#) becomes a strategic investor in [Sharecare](#) as part of the transaction, with the health benefits company's senior vice president and chief digital officer, Rajeev Ronanki, joining Sharecare's board of directors.

Through the [doc.ai](#) acquisition, Sharecare adds to its team more than 60 engineers with 11 PhDs who have developed technology and product offerings that enable clients to launch products faster and at lower costs. The digital health company is also making key executive leadership appointments, including naming [doc.ai](#) co-founders Sam De Brouwer and [Walter De Brouwer](#) as Sharecare's newly designated chief strategy officer and chief science officer and integrating other senior management into the company's leadership team.

The acquisition is subject to customary and regulatory closing conditions, and closing is expected to occur in the first quarter of 2021. For more information about doc.ai, visit <https://doc.ai/>.

L2 Counsel, P.C. is acting as legal advisor to doc.ai with regulatory support from Foley & Lardner LLP.
