

Look forward to immersing yourself in Oklahoma solo artist Lonleybandz's latest emotive hip-hop song 'Pain-to-You'

Oklahoma solo artist Lonleybandz provides intricate moments with his latest heart-wrenching hip-hop track 'Pain-to-You' that sheds light on his emo-rap style.

Oklahoma City, Jan 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - It's impossible to look back on a moment in the past years and not pull up a list of hit tracks in your head. Some of those moments are paired with intimate memories like hearing a unique voice for the first time. Hip-hop being a steady source of new upcoming talents in the music industry has always introduced the world to new artists. One such

artist whose creativity never blends with the rest is **Lonleybandz**. The **Oklahoma solo artist** lets his music do all the talking as it all sorts of immersive and relatable at the same time. The rapper has an interesting approach towards hip-hop and prefers to mix soft melodies with his emo-rap style to lament his sound as completely original.

The artist has geared up to make a breakthrough in 2021 with his latest single '[Pain-to-You](#)'. The kind of variation and intimacy that the rapper has injected into the soundtrack makes it infectious and proves that the artist is worth keeping an eye on this year. The rapper is an exceptional talent and a careful performer to be exact. The song brings to the scene a nostalgic vibe and the hook quickly weaves its way into the listener's mind. It's addictive and not intrusive. Great songwriting and the strong production style of the artist adds a lot of emotive value to the soundscape.

Coming from Tulsa, **Lonleybandz** is a 21-years-old rapper who tries to make music that tells a story about him and his life. The artist is unashamedly honest in his approach and his uniquely melodic performance in '**Pain-to-You**' reaches out to disclose his impressive personality and strength. Built under the label Cartel oil records, the song shines brightly because of its unique sound pattern. Follow him on Soundcloud, YouTube, [Instagram](#), and [Twitter](#) for all updates.
