

Major Volleyball Collaboration Between SportsEdTV and Brazilian National Team Is Announced

The Global Online Sports Instruction Medium to Film Olympic Training of Three Time Gold Medalist Volleyball Dream Team

Miami, Jan 11, 2021 (Issuewire.com) - SportsEdTV and the Brazilian Volleyball Confederation have announced plans to share the Brazilian National Team's Olympic training via a video posted on the FREE global sports instruction online platform.

"This sports media breakthrough is an especially powerful milestone, given that the Brazilian National team has won three Olympic gold medals and as many World Championships," said SportsEdTV Founder and Chairman Robert Mazzucchelli.

"The filming, and documenting of the Brazilian team's preparations for the Tokyo 21 Olympics is a historic event. This initiative motivates our players and our coaches. We are fortunate to have SportsEdTV involved and I am personally one hundred percent on board," said Prof. Renan Dal Zotto the team's head coach.

[SportsEdTV's](http://SportsEdTV) production team, led by its volleyball channel director Gylton Da Matta Ph.D. will be hosted by the Brazilian Volleyball Federation for several weeks this spring.

The team's assistant coach Professor Ricardo Tabach feels the documentary will have far-reaching effects on their volleyball program saying, "Doing this filming with SportsEdTV will be meaningful for the whole Brazilian volleyball world, inspiring children and our players."

[SportsEdTV](#) CEO Victor Bergonzoli saluted the vision of the Brazilian Volleyball Confederation saying "this represents a milestone [SportsEdTV](#) expects to expand with other sports, sharing these high-level training techniques with the millions of international athletes and coaches who regularly visit our site for world-class sports instruction.

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don't expect everyone who uses our learning tools to become a world champion - that's not our mission.

We do expect people who use our educational resources to become their own champion, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it's becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content, and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
