MedCann Industries, Inc; Corporate Update; ANNOUNCES PROGRESS OF NEW BUSINESS

Nevada, Las Vegas, Jan 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - (OTC – Markets: NSRS), a publicly-traded company currently listed on the Pink Open Market section of OTC Markets Group, Inc., announces that management plans on publishing its next 8K Statement and Financial Information with SEC using the Edgar Reporting System to provide current company financial information to the public. We are A Volunteer Reporting Company. An 8K has been prepared for updated information regarding the acquisition of MedCann Industries, Inc. and its subsidiaries starting with Medical Cannabis Inc.

Reminder: Significant effort and cost has been made in the past four months to ensure MedCann Industries, Inc. is compliant and up to date with all filings and financials. MedCann Industries, Inc. has the right strategies and fiscal plan to give the company a solid platform for growth in the Cannabis Industry. They have organized a complete team with incredible synergies with other MJ companies and has created a new line of products and has begun to enter our new line of Canna Water and beverage products into the market.

MedCann Industries, Inc. has acquired all the rights and IP of Medical Cannabis Inc., a California Medical Cannabis & Hemp Company, with a temporary Micro License in the cannabis industry to grow, resell, and distribute. NSRS has purchased the company and several product lines that can be viewed on the new temporary website (www.medcannindustries.com)
