

Meet with Zishan Alam, Youngest Internet Entrepreneur in Indian and Founder & CEO of My Media Markets

Telangana, Hyderabad, Jan 31, 2021 ([Issuewire.com](https://www.issuewire.com)) - Zishan Alam belongs to Hazaribagh (Jharkhand), India. He is an Online Entrepreneur and Passionate Digital Marketer and PR Expert. He is the **Founder & CEO of My Media Markets** the top leading Digital Marketing and Social Media Marketing Agency in Hyderabad, India.

Zishan is a Proud B.tech dropout and he continues his studies and graduated with Bachelor in Business Administration (BBA) specialization in Marketing and Management and Certified Digital Marketer alumni of Roy Digital from New Delhi and Asia's topmost certified Digital Marketing Institute Digiperform from Hyderabad India, and he is also **Google Certified Digital Marketer**.

He knows very well, Search Engine Optimization (SEO), Social Media Marketing & Management, Social Engine Marketing (SEM), Graphic Designing, Google Adwords (PPC), Web Designing, and end-to-end **digital marketing professional**. He attended many events & training meetings by the world's largest companies like Google, Amazon, Hubspot. He trained many digital marketers in their own internship programs.

He says, many people think blogging is only about writing your personal story, but that's not entirely true. If you mix your hard work with smart work, you can make a living with your blog. He knows how tough it is to get something from college once you have graduated. Getting the **Entrepreneurship Award** was one of the best things that have ever happened to him.

He is an **athlete enthusiast** and from his schooling. He took part in every sports game like running, volleyball, football, Martial arts and being good at sports he joined Athletic club to become best sportsperson & athlete he gave more than 15 years of quality time in athlete practice after that slowly took participating in open district athletic meet, open state athletic meet as well as in school athlete meet in district & state level and He is the **Gold and Silver Medalist** after that he represents Jharkhand state in open District National Athletic Meet in Haridwar, Uttarakhand (India).

Pratik Sinha, a college dropout, is also a self-made Indian millionaire aged under 25. **Pratik Sinha** is the [Founder & CEO of DigiTecholic, Inc.](#) Pratik Sinha & Zishan Alam, the world's youngest digital marketer & internet entrepreneur both in their 25s, are also among India's richest young self-made millionaires. Also, Pratik Sinha & Zishan Alam are mutual friends & both are working on various projects. They are followed by the founder of Neil Patel Digital & Crazy Egg, **Neil Patel (\$35 million USD)** and CEO of SpaceX, **Elon Musk (\$153.5 billion USD)**.

In 2015, [Zishan Alam](#) started their own company, known as [My Media Markets](#). He is a very young internet entrepreneur in India. They say it is difficult, keeps on coming but should not give up. Because those who do not give up, they touch all the heights of the world. That is the reason why it can progress very soon and in a short time. The revenue of this company from the last 3 years is more than ₹90 Lacs (\$9 million INR).

we wish "**Zishan Alam**" and his startups company "**My Media Markets**" the best successful future.
