

Melissa Antonow, MSN, PNP-C, a Certified Pediatric Nurse Practitioner with National Pediatrics Center

Get to know Certified Pediatric Nurse Practitioner Melissa Antonow, who serves patients in Corona, New York.

New York City, Jan 18, 2021 ([IssueWire.com](https://www.issuewire.com)) - A 2018 graduate of Molloy College, Melissa is a certified pediatric nurse practitioner at National Pediatrics Center in Corona, New York. Her focus is on primary care and preventive health, growth, and development, as well as the management of acute and chronic illnesses.

From routine checkups to immunizations, National Pediatric Center is equipped to handle all of a child's health needs. Some of the leading services provided include newborn care, school, and sports physicians, sick child diagnosis and treatment, well-child care exams, dietary/nutrition guidance, immunizations, lab testing, as well as vision & hearing services.

"Our mission is to provide excellent care for the children and their families where doctors and patients work together to provide exceptional medical care in Corona and surrounding communities. We pride ourselves on providing compassionate, comprehensive services to children from birth through adolescence, and we're glad you've chosen us as your child's medical home" as stated on the practice's website.

A Certified Pediatric Nurse Practitioner (PNP-C) is a nurse practitioner who specializes in care to newborns, infants, toddlers, pre-schoolers, school-aged children, adolescents, and young adults. They have in-depth knowledge and experience in pediatric primary health care, including well-child care and prevention/management of common pediatric acute illnesses and chronic conditions. This care is provided to support the optimal health of children within the context of their family, community, and environmental setting.
