

Mr. Rakesh Kothari met Mr. Varun Satish Desai Secretary of Yuva Sena

Maharashtra, Mumbai, Jan 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - “Recently our founder Mr. Rakesh Kothari met Mr. Varun Satish Desai who is the secretary of Yuva Sena to discuss how Animal Cruelty should be stopped. As we all know that Animal cruelty is increasing day by day in our country and should be stopped. *The laws of India for Animal cruelty show that there is only a fine of Rs. 50 on the person who does any type of cruelty on an Animal. We, therefore, have requested to increase the fine to Rs.50000, and if not paid then 3 months jail time. We cannot do this without your support. So we request everyone to come forward and write a letter in the name of *Sherry and Diya Foundation* asking for help to Stop Animal cruelty. Let’s come together and Speak for the Mute souls.
