

NewsPlayer+ Offers One-Stop Streaming Destination for the World's Leading News Networks

London, Jan 19, 2021 ([IssueWire.com](https://www.issuewire.com)) - Player+ today announced it has brought forward the launch of **NewsPlayer+** to give UK viewers an unrivaled opportunity to watch global perspectives on the US Presidential Inauguration across 15 channels via its new one-stop streaming destination.

At a time when quality journalism is increasingly under threat, and access to a broad range of viewpoints more critical than ever, **NewsPlayer+** brings an extensive range of premium English-language news brands together, live and around the clock, offering seamless navigation across diverse international perspectives at a crucial moment in the US and global politics.

UK subscribers can immediately access a wide choice of world-leading broadcasters including Al Jazeera, Bloomberg TV, Bloomberg's new channel Quicktake, Euronews, and Newsmax, alongside an array of international news networks such as Africanews, Germany's DW-TV, France 24, China's CGTN, India's NDTV 24x7, Israel's i24, Russia's RT, Australia's Ticker, Turkey's TRT and US network

NewsNet, with more channels to join later this month.

Subscribers can visit www.newsplayerplus.com/ to sign up for a 7-day free trial, with a special launch offer starting at £2.50 per month. The platform can be accessed via Amazon Fire TV, browsers, iOS, and Android devices, with more added soon.

Headquartered in London, **NewsPlayer+** has been developed by a seasoned team of OTT and Pay TV specialists whose backgrounds include the BBC, BritBox, CuriosityStream, Guardian News & Media, and ITV, headed by CEO Richard Jacobs. It's the first service to be launched by Player+, with further genres to follow in 2021 including StagePlayer+ for the performing arts. Designed to bring premium content and brands together into genre-based services, Player+ will offer subscribers around the world access to streaming solutions dedicated to the content they want, where they want, live and on-demand.

"We're delighted to launch our ground-breaking multi-channel news streaming service at this key moment when all eyes will be on the US Presidential transition," said Jacobs. "With a total of 15 partners signed up to date, some in world-first international streaming deals, **NewsPlayer+** is uniquely positioned to guarantee our subscribers one destination for a broad range of on-the-spot updates and alternative perspectives across the breaking news space."

News outlets currently available to stream on **NewsPlayer+** in the UK are Africanews, Al Jazeera, Bloomberg TV, CGTN, DW-TV, Euronews, France 24, i24, NDTV, Newsmax, NewsNet, Quicktake, RT International, Ticker Australia, and TRT, with more to come throughout 2021.
