

Nick Hayward-Young Washes Over His Folk Creativity And Musical Charm On All His Fans With The New Album Level

Nick Hayward-Young takes on a different approach to satisfy the souls of all folk and jazz music lovers and comes up with something refreshing in the album Level.

Southampton, Jan 12, 2021 ([Issuewire.com](https://www.issuewire.com)) - Channeling the calmness of his creativity and depth of his folk, jazz, and blues sounds all together through each of his creations, singer [Nick Hayward-Young](#) intends to connect genuinely with both the heart and soul of the audience. The UK based singer-songwriter cultures a deep, matured voice that sounds hauntingly beautiful when directed combining with intricate instrumental detailing. The singer's song-craft and the format of writing are of high stature and the singer represents it in an alluring way to reach across the audience's senses.

With a rising sense of passion and entrancingly embracing the intricate melodies of jazz and folk, the

artist has recently released two singles '**Joker's Shoes**' and '**Your Thousand Faces**' that subtly highlights his accomplished features. Coming from the album Level, both the tracks stand out for their organic values as the singer drives the pure essence with absolute strength and crispiness. The artist's expression and the comforting vocals spread an undeniable charm. Both the tracks are polar opposite in terms of their sonic arrangement.

The track '**Joker's Shoes**' takes on a steadier note whereas '**Your Thousand Faces**' lets the listener indulge in a rather soft, subtle, and emotive soundscape. However, the singer's exclusivity remains consistent in both the tracks and gives a clear reflection of his impressive artistic vision. **Nick Hayward-Young**'s first and second albums gained him immense popularity for their original sound. The recent album appeals to a lot of tastes and doesn't succumb to a box. Hear it all on **Spotify** and **Soundcloud**, and follow him on [Instagram](#), [Twitter](#), and [Facebook](#) for more details.
