

Pranab Kr Nath: An Engineer from Tripura Develops A Career In Film Making- Becomes A Successful Short Film Actor

Agartala, Jan 3, 2021 ([Issuewire.com](https://www.issuewire.com)) - Today's generation is full of ideas and inspiration. They see a lot of different movies. They see different series and short films. [Pranab Kr Nath](#) was one such person who grew up wondering whether he can use his talents in this field or not. This is the reason why we have such a bright person among us, influencing everyone positively. He uses his skills right here.

[Pranab Kr Nath](#) is a rising star from Tripura, India. He is a Short Film Actor, He is a very popular person from Tripura who is known for all his exciting and entertaining works. Not just that, he also has a very powerful stronghold on his career and ideas of how to influence the common masses. A lot of us are living, but can you imagine living a successful life? We all have tons of goals that we wish we could achieve. [Pranab Kr Nath](#) had a dream, and though life was going in a certain direction he decided to get a grip of his life and turn it around for his own ways. Let us know more about him and his story.

[Pranab Kr Nath](#) is basically not from a well-known area. He was born to a joint family in Sabroom in Tripura. Northeastern India has a bunch of small states and areas too. Coming from such a place, [Pranab Kr Nath](#) has achieved a lot. While growing up, he was not very interested in studying. The common subjects that we come across as a child did not interest him. At that time, he would not have known that he has such a life ahead of him.

[Pranab Kr Nath](#) studied Engineering as he grew up to be a young college student. Then he slowly got into the field of politics and worked with a couple of leaders who are in some noted positions of the Indian Government. He got a wonderful opportunity to work in the IT sector along with our much-known CM of Tripura. All this sounds really well settled and pleasing to common people but [Pranab Kr Nath](#) truly wanted to live up to his passion and desires in life.

Soon after gaining a lot of fame there already, he decided to finally give a try to become something he has always been talented in- The career of Short Film Making. He slowly started to indulge in such activities where he could think, imagine, and create videos. [Pranab Kr Nath](#) has already made such videos that are very successful and intriguing.

His first work was very long ago and it was just a simple small video that he made in collaboration with a friend. To be honest, it received a lot of mixed reviews from the masses of people who watched it. There was a lot of talk about it but [Pranab Kr Nath](#) was determined to work hard as well as to work smart. He went on increasing his popularity and today he created videos that receive millions of views. The recent ones have more than 3.8 million views Video Link:
