New York, New York City, Jan 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Odell Jr., a renowned pain management specialist, has spent years studying the mechanics of pain and finding better ways to help people affected by chronic pain conditions. He is the owner and Medical Director of Neuropathy and Pain Centers of America in Las Vegas, Nevada.

Neuropathy and Pain Centers of America is a pain management treatment clinic that provides unparalleled and dramatically successful results for patients suffering from chronic pain of all kinds; back, neck, spine, joint pain, neuropathy, headaches, and other pain-related conditions. The staff offers a variety of treatments using traditional, advanced, and regenerative techniques to help provide effective and compassionate pain management. Their goal is to help restore one's lifestyle as pain-free as possible.

Specializing in anesthesiology and interventional pain management, Dr. Odell Jr. has extensive experience with a wide range of non-interventional and interventional acute and chronic pain management techniques. Over the years, he has been working with some advanced electromedical devices which produce favorable effects for treating neuropathy and other more difficult to treat pain management challenges.

Beginning his medical career with an impressive scientific education, Dr. Odell Jr. was an engineering and liberal arts major at the University of Pennsylvania where he graduated with high honors. As a fellow of the Medical Scientist Training Program, he received both his Ph.D. in Biomedical Engineering and his MD from Stanford University. He completed his residency in anesthesiology at UCLA and served as chief resident at Harbor/UCLA Medical Center.

Since 2016, he has been serving as an Assistant Professor of Pain Management at Touro University. He has also been retained as an expert witness in the anesthesia and pain management fields and has consulted in a wide variety of cases.

A Fellow of Interventional Pain Practice of the World Institute of Pain, the doctor is a member of the American Society of Regional Anesthesia and Pain Medicine, the American Academy of Pain Medicine, and the World Institute of Pain. He has published several influential papers in respected medical journals, as well as holds a competency certificate in fluoroscopy and radiation safety.

Furthermore, he is a Diplomate of the American Board of Anesthesiology, whose mission is to advance the highest standards of the practice of anesthesiology, as well as a Diplomate of the American Board of Pain Medicine, whose mission is to improve the quality of pain medicine.

Pain management is a branch of medicine employing an interdisciplinary approach for easing the suffering and improving the quality of life of those living with chronic pain. A pain management specialist is a doctor who specializes in pain medicine, focusing on the evaluation, treatment, and prevention of pain.

In his spare time, Dr. Odell Jr. enjoys running his backyard garden railway and playing with his three yellow Labs. He was selected as Top 100 Doctors/Dentists in Las Vegas (2018) and Top 100 Business in Las Vegas (2018).
