Chester, Jan 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - AWE Acquisition, inc., dba AWE Learning, is excited to announce its recent partnership with a do-it-yourself book and comic creator, Scribblitt. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning's new Platinum Online is a cloud-based product featuring more than 175 educational titles, for children ages 2-12, with a single login. Content is award-winning and spans all STREAM subject areas (Science, Technology, Reading, Engineering, Art & Music, and Math) plus SEL (Social Emotional Learning). As an annual subscription, Platinum Online brings new and exciting content to libraries, as well as virtual learners, homeschoolers, and pandemic pods. We are excited to have Scribblitt on Platinum Online to give users the chance to write and publish their own books and comic books.

Through AWE Learning's partnership with Scribblitt, children will have the chance to develop a love of writing. Scribblitt's literacy focus allows young learners to reinforce and practice STREAM skills, build their confidence, and have fun creating! "Scribblitt provides an environment that encourages and excites young minds to tap into their already wonderful imaginations and engage in storytelling, explains founder and CEO, Andrea Bergstein. "Writing improves vocabulary, promotes creative problem solving, and nurtures self-expression. Publishing books builds confidence and reinforces the value that kids' words matter."

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are excited to partner with Scribblitt. Companies like Scribblitt offer a variety of prominent learning content for our target age group and markets. In the modern-day, it is important to give children content that allows them to have fun while learning. Platinum Online does just that and gives children a website that offers content that caters to all levels and all interests. While libraries are closed and limited to a lower capacity due to COVID-19, Platinum Online allows libraries to distribute logins to families so children can access AWE Learning products from home! Platinum Online also gives youngsters the opportunity to continue learning beyond their virtual school day. We are confident that users will enjoy interacting on these titles whether they are

at home or in the library."
