

Sunshine Coast star studded line up of singers are brining back the DISCO era in 2021!

All Aboard The DISCOTrain

Maroochydore, Jan 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Local production company Black Rock Productions (BRP), will be hosting the first major party for the Sunshine Coast on March 12th, 2021 at Venue 114, Bokarina. DISCOTrain will be making its first Queensland stop on home-ground here on the Sunshine Coast, with a much-anticipated chance for locals to get their dancing on!

The show which features international singers now based on the Sunshine Coast Sharon Brooks and Toni Zaffa also have on the line-up local powerhouses Rob Farhi and Ashleigh Dell. International singer Asabi Goodman (now based in Brisbane), has also been added to the lineup. "The Sunshine Coast is practically my second home. I am always performing there and when Sharon asked if I would like to be a part of the show, it was a definite yes for me..." Asabi Goodman.

CEO/Managing Director of BRP Sharon Brooks, says "...it was not easy getting the show to this point. The show was originally planned as The Queens of Soul for 2020. However, with COVID we had many setbacks and ultimately had to move forward with a show that was a bit more viable at this time. It was a really hard decision for me to make, as the QOS Show was more focused on original music. However with the state of the entertainment industry, if we want to stay afloat these days, we have to do what will work best in markets, and often that means sacrificing our original music for a more popular show. The positive side of this, however, is that with a show this marketable, BRP will be able to keep musicians and hospitality workers employed in these hard times."

DISCOTrain will be taking place Friday, March 12th, 2021 at Venue 114, 114 Sportsman Parade, Bokarina. Tickets and information regarding DISCOTrain can be found
