Hi, Timothy chadee recognized by Trini boi the king of the city & Welcome.

You have a really versatile and unique style, how long have you been making music?

I have been writing music since I was 11 years old. I started when I was in a foster home written how I feel a putting my emotions into music. I took all their unique styles my style was formed and created.

What can you tell us about your new project?

Triniboi confirms he's currently working on a song called "CITY ON SMASH" Music Flow collaborating with producer Lord Khep. Beatmaker of Eminem.

Trini boi says: I want my fans, listeners to take my pain in my voice and lyrics and be able to relate. To Know there not alone, and that they can be anything they put their mind to be. I have never been a follower in life and I don't follow trends. I will rather be a legend, a role model, an inspiration to millions.
