

Turn your TV into a Super Entertainment Center

Enjoy Watching TV with the New Smart TV Media Box.

Ontario, Toronto, Feb 1, 2021 ([Issuewire.com](http://www.Issuewire.com)) - Enjoy your TV the easy way with the new Free TV Smart Media Box. Turn your TV into a Super Entertainment Center. Our signature Android TV Box comes with the blazing fast Octo-Core CPU, with a superior quality video playback up to 4K. Equipped with 4GB of memory and 64GB of storage, giving you more than enough room for apps.

This TV Box comes programmed and ready for action. Setup takes 5 minutes or less, and in 3 easy steps.

- Plug it into your outlet

- Connect your WiFi
- Watch TV

You don't need a Smart TV to use our Android TV Boxes, you only need an HDMI port. So any TV will do. This will make any normal TV into the Ultimate Smart TV. If you own a Smart TV already, then this will make it way Smarter.
