

Upcoming Hip Hop Artist T.H.C Creates Undulating Lyrical and Rhythmic Verses with His Soundscape

(Viral)

New York, New York City, Jan 25, 2021 ([Issuewire.com](https://www.issuewire.com)) - The progressive latitudes of contemporary hip hop and rap are being exemplified through a course of energetic storytelling by upcoming artists, T.H.C, also known as The Harlem Child. His creative scope is a cascading stream of various experiences and influences that come together in a defining blend to pave the way for a captivating musical expanse.

Hailing from Harlem, the artist has had extensive experiences across the various notoriety of life. As a result, his array of influences ranges in everything from prison and culture to stories and myths, and also personal perseverance. His creative style and production skills are beautifully captured in the verses of his new song, 'Bophy' in collaboration with fellow artists LocDoors and Dizzy200. His music is a personal account and each song is his journey towards redemption and closure. His tryst with music started when he was all of five and over the years, it flourished into an expansive arena of various styles, themes, and arrangements. Socio-cultural references are one of the most prominent themes of his music that allows him to challenge both his creative and emotional abilities to express.

T.H.C holds creative specialization in the areas of hip hop, trap, and drill that gives him the passage to experiment with his sound and styles. He aims at motivating and inspiring his audiences with his music and enables them to tread a positive path in terms of perspectives, life decisions, and understanding of things. His soundscape stands beyond the vision of recreational pursuits and plunges deep into a space of personal nurturing. As an active musician for the past 23 years, he has been consistent and prolific with his releases. Some of his songs that define the creative depth of his music include, 'Pacman', 'Hula Hoop', and 'Committed'. He is also the founder of his record label, WavyWorldRecordsLLC that will grow into a global name in the scope of hip hop in the days to come.

Artist T.H.C brings to the creative table a captivating musical stream and a hip-hop resurgence that is set to define the future of the genre. Know more about his work by following him on the following platforms and websites.
