

Welcome to PersonalizeMii, the first ever interactive experience for NHL fans all over North America.

Officially Licensed Products of the National Hockey League

Canada, Alberta, Feb 2, 2021 (Issuewire.com) - It has been a profound and challenging time for many people all around the world.

There are many industries that have had to pivot including the sports industry on how to stay connected with one another.

We all know the fans elevate every sports event in celebration supporting their favorite teams.

The fans deserve to feel that they are an ongoing part of this journey in return for all that they give.

The excitement of going to see hockey games in person, meeting your favorite hockey players experiencing the real inner workings is an integral part for the fans.

That is why this creative endeavor from renowned NHL licensed sports artist [Janet Deane](#) has arrived on time.

Her company SORTURii Sports Inc continues to deliver unique product ideas that passionately inspire us to feel these connections.

Janet has always been an innovative artist with a philanthropic heart towards what people need the most in each given moment.

She has gathered a team of highly skilled individuals who have created advanced groundbreaking technology synchronizing perfectly with her multitude of art design concepts.

Welcome to [PersonalizeMii](#), the first-ever interactive experience for NHL fans all over North America.

The fans can now upload their very own personal photos in real-time to create stunning wall art in unison with this highest of quality design.

The styles include beautiful canvas, sleek metal, paper, and vinyl posters making all of these must-have

collectible art pieces.

It's an absolute instant dream come true to see yourself inside the locker rooms of every NHL team or raise the Stanley Cup with exhilarating pride.

Everyone archives their moments in life with something they love so much and [PersonalizeMii](#) helps you navigate all of this with ease.

Imagine having this wall art in your homes, your offices, in hospitals, in schools anywhere that can uplift one's spirit in these times.

Janet expanded the design line by cross-branding Zodiac symbols that were created with nuanced artistry by her gifted daughter Ty Deane.

[PersonalizeMii](#) bringing people together forever carrying on the excitement of the game we all love so much.
