

Ynot Creatives tie up with movie production houses and Model Agencies

Ynot Creatives a Bengaluru based creative and design agency has entered into a joint ventureship with Mango Productions and VogueModelz for film and web series production in south India

Bengaluru, Jan 19, 2021 (Issuewire.com) - Ynot Creatives, joint ventures with Mango Productions and Vogue Modelz

Ynot Creatives a Bengaluru-based creative and design agency has entered into a joint venture ship with Mango Productions and VogueModelz for film and web series production in south India.

Ynot Creatives and the team have produced a couple of short films in Hindi and English which includes Borewell in 2020, for IFP this project was in partnership with Mammothdreams Media.

While Mango Productions is a production house and distributor that has distributed several short films and web - series is also expanding its circle to have distributions in theatres across the US and the UK.

Founder of Ynot Creative's Mr.Anand said: "This joint venture ship between Ynot Creatives and Mango Productions and VogueModelz will allow us to make our presence felt strongly in the vibrant film and web-series market across the south and central India, we will be able to deliver high-quality content out to the market."

Partnership Team of Mango Productions said: "We have been closely working with Ynot Creatives for the past 2 years and have now felt that this is the time to go ahead and have an official partnership and expand our reach. Ynot Creatives has always delivered great production content to us for international usage, looking forward to a greater 2021"

The team at VogueModelz said: "It gives us a great pleasure to be a part of a team that has always delivered, this tie-up will provide us to get the best talent in the industry, initial screening, casting, and selection process will be taken care by Ynot Creatives which will be a great relief to us as a process."

Ynot creatives along with Mammoth Dreams Media added as an initiation process we will provide Free

Portfolio, Grooming sessions, Mentoring with Top Industry experts, Career guidance and castings for Short Films, Web Series, Digital Commercials, and more. Upcoming talents can register with us for free and leverage these facilities.
