

Anchor Blinds Earns 2021 Best of Houzz Award

Washington, Seattle, Feb 11, 2021 (Issuewire.com) - Anchor Blinds of Seattle, WA, has won a "Best Of Houzz" award for Customer Service on Houzz, the leading platform for home renovation and design. This exclusive award recognizes just three percent of the more than 2.5 million active home professionals and interior and architectural photographers on the Houzz platform.

"The Best Of Houzz awards are an emblem of trust and credibility for home professionals across the U.S. and around the world, and we are excited to celebrate this year's winners," said Liza Hausman, vice president of Industry Marketing for Houzz. "The COVID-19 pandemic has highlighted our critical need as homeowners to feel comfortable before inviting pros into and around our homes, and the Best Of Houzz badge is a powerful way to communicate the trust that homeowners have in a pro's business. It's just one of many tools on the Houzz platform that help pros convey their unique expertise, and help homeowners find the right professionals for their projects."

Best Of Houzz is awarded annually in three categories: Design, Customer Service, and Photography. Customer Service honors are based on several factors, including a professional's overall rating on Houzz and client reviews for projects completed in 2020. A "Best Of Houzz 2021" badge, specifying category won, appears on winners' profiles to help homeowners identify popular and top-rated home professionals on Houzz locally and around the world. Winners have been announced globally.

"Anchor Blinds is grateful to be recognized as a 'Best of Customer Service' award winner by Houzz for the third time!" said Armi Avila-Lee, Design Consultant at Anchor Blinds. "As a Shop-at-Home window covering specialist in the Seattle metropolitan area, our goal is to make sure our clients receive the proper support they are looking for while keeping everyone safe. We strive to consistently provide creative, practical, and smart window treatment design solutions for our clients, so it is great to be recognized by Houzz for our superior customer service. We are grateful to be able to help our clients with their home needs, especially during these difficult times." said Armi Avila-Lee of Anchor Blinds.
