PAN Card Correction

If you have already obtained a PAN Card and it contains incorrect information, you can update or change it through the PAN CSF Form.

As PAN is an extremely important document any incorrect details on your PAN card could lead to problems. You can change PAN Card details just by filling the form.

The process to fill PAN CSF

- Go to desn.in
- Click on 'Click here to adjust/correct the PAN card'.
- Now, in PAN Card Information (CSF), press 'Apply for Change/Correction'
- This will take you to a page where you are allowed to enter information that you want to alter.
- As requested in the form, upload the documents and click on 'Send'.
- In a couple of days, the changes will then be done.
