West bengal, kolkata, Feb 23, 2021 (Issuewire.com) - Bengal Institute of Business Studies is launching its new Winter Batch this February for its postgraduate programs, i.e. PGPBM, PGPIBM, PGPDm, and PGPFb. The special batch is aimed at giving the students the advantage of an early start thus giving them an extended curriculum and more exposure.

The classes for the first winter batch for the session 2021-2023 are expected to start between 22nd February and 25th February. The program begins with classroom sessions from March to the end of May followed by a two-month internship in June and July. This batch will merge with the July batch in the month of August. From then onwards, the batch will further split into 4 subdivisions for the four specialisations, and continue accordingly.

The key benefits of this batch are-

- **Dual Internships will ensure a more diverse CV-** Students are offered two-month internships, not just once, but twice in the topmost companies in India.
- **Industry Mentorship:** Top executives from the corporate world provide mentorship to the students to ensure they are fully equipped with all the skills and practices required currently by the industry.
- **Prestigious Certifications:** Students receive highly valued certifications from Microsoft and Google, thus developing on a 360-degree basis, and having an edge over fellow employees.

Eligibility for the Program: Candidates must be a graduate in any discipline from a recognised university under UGC. Graduates or Final Year students passing out in 2021 with a valid CAT, MAT, or XAT score are eligible to apply. Candidates without any of these scorecards will have to appear for the BIBSAT examination. The final selection will be on the basis of the Personal Interview round for all applicants.
