

Buchwald Capital Advisors Brings Signs of Life to MetLife

The MetLife Building Welcomes New Headquarters of Buchwald Capital Advisors LLC

New York, New York City, Feb 16, 2021 ([IssueWire.com](https://www.issuewire.com)) - Buchwald Capital Advisors LLC relocated its headquarters to the iconic MetLife Building at 200 Park Avenue in New York. The MetLife staff is delighted to see this confidence in the reemergence of midtown Manhattan as the premier global center of commerce.

“I am a native New Yorker, attended Columbia University, and spent my entire investment banking career in midtown. Working from home may be convenient and prudent for now. However, in the near future the magnetic attraction of New York City should bring back the people and vibrancy that was here just a year ago”, said Lee Buchwald, President of Buchwald Capital Advisors.

Buchwald Capital Advisors is a boutique investment banking firm specializing in financial restructuring and bankruptcy since its founding in 2001. The firm provides financial advisory, trustee, independent director, and expert testimony services. The company is led by industry veteran Lee Buchwald. Prior to founding Buchwald Capital Mr. Buchwald had been an executive at Rothschild Inc., Salomon Brothers, and Chanin Capital Partners.
