

Charles Ulrich II, MD, FACP, FACG, a Gastroenterologist with Carris Health - Willmar Main Clinic & Carris Health - Redwo

Get to know Gastroenterologist Dr. Charles Ulrich II, who serves patients in Willmar and Redwood Falls, Minnesota.

New York, New York City, Feb 15, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Ulrich II is a practicing gastroenterologist at Carris Health - Willmar Main Clinic & Carris Health - Redwood Clinic in Minnesota. Treating conditions that affect the digestive system, his areas of interest are gastrointestinal, biliary, pancreatic, and liver diseases.

Licensed to practice medicine in Minnesota, he is affiliated with Rice Memorial Hospital and Redwood Area Hospital.

With a strong educational background, Dr. Ulrich II graduated with his medical degree from UT Southwestern Medical School in 1987. He then went on to perform his residency at the University of Texas Southwestern Medical Center - Parkland Memorial Hospital and Dallas VA Medical Center. This was followed by a fellowship in clinical gastroenterology and hepatology within the Division of Gastroenterology and Hepatology, Department of Internal Medicine at Mayo Graduate School of Medicine, Rochester, Minnesota, as well as an NIH research fellowship in gastroenterology at the same institution.

An expert in his field, the doctor is board-certified in gastroenterology by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Having served previously on the Board of Directors of the National Pancreas Foundation, Dr. Ulrich II is a member of the American Gastroenterological Association, the American College of Gastroenterology, the American College of Physicians, and the American Pancreatic Association. He is also a Fellow of the American College of Physicians (FACP) and a Fellow of the American College of Gastroenterology (FACG).

Gastroenterology is the branch of medicine focused on the digestive system and its disorders. A gastroenterologist is a physician who has extensive training in the diagnosis and treatment of disorders related to the esophagus, stomach, small intestines, colon, liver, pancreas, and biliary system.
