

Claxy Lighting Fixture Online Shop Introduces Buy More and Save More

Claxy offers BUY MORE, SAVE MORE discount. Claxy gives a huge discount price to help customers get their favorite lighting fixtures.

California, Santa Clara, Feb 24, 2021 ([IssueWire.com](https://www.issuewire.com)) - Claxy, one of the trusted lighting product stores, introduces *BUY MORE, SAVE MORE discount*. The store releases this discount offer to say thanks to customers who believe in their products. This offer will make the products cheaper. The more products customers buy, the cheaper the cost. The CEO of <https://www.claxy.com/> explained, "Like its name, we provide a big cut off price for our customers in three different deals. We hope that customers can get more lighting products at an affordable price. It will be great for those who need to have a chandelier to create a stylish room based on their favorite interior design."

Claxy online shop at <https://www.claxy.com/> gives a 10% cut-off price for all fresh and already discounted light fixtures. It is not stopped there because customers also can get an opportunity to get an additional 5% cut-off price and a 5% discount price more. The store's representation stated, "We give an additional 5% for customers who buy products up to \$250. The discount price is even bigger when customers spend up to \$550." Customers have a chance to pick their favorite chandeliers, sconces lamps, pendant lights, and other fixtures. Another purpose of launching the *BUY MORE, SAVE MORE discount offer* is to inspire and give more charisma to the home exterior without spending too much money and energy.

The store's representation added, "Our store has a variety of lighting styles, including sleek, modern, Bohemian, contemporary, industrial, and rustic. Customers can also get their favorite glittering chandeliers, pendants, floor lamps, table lamps, and wall lamps. The shopping process will be more fun and a great shopping experience for customers because of the *BUY MORE, SAVE MORE discount*. It seems that customers can explore more on the lighting products they want to try for so long." Different customers have different needs. They may need a lighting fixture for the entrance, kitchen, living room, hallway, bathroom, bedroom, and others. It sounds great if they find a store that provides them with all the lighting fixtures they need.

One of the buyers explained, "Finding the best lighting product is challenging. The process takes time and money. We are happy to find a store with complete lighting products and give a great deal. The deal gives us a chance to explore our creativity and idea to have a perfect room that we dream of." The store commits to release the latest chandeliers and other products regularly to support its customer, along with great deals. So, the *BUY MORE, SAVE MORE discount* is only one of the deals for a great online shopping experience.
