

Dalia Freitekh Awarded Best Of LA Interiors Awards 2021

California, Los Angeles, Feb 8, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dalia Tabbaa Freitekh was awarded for her “Designs and Customer Service” on LA Interiors, the leading platform for home renovation and design. The award-winning firm was chosen by the millions of homeowners that comprise the LA Interiors community from among more than 2.5 million active home building, remodeling, and design industry professionals.

The Best Of LA Interiors badge for designers is awarded annually, in two categories: Design, and Customer Service. Design awards honor professionals whose work was the most popular among the LA Interiors community. Customer Service honors are based on several factors, including a pro’s overall rating on LA Interiors and client reviews submitted in 2020.

“I’m very grateful to my clients in Laguna Beach, Beverly Hills, and neighboring communities who offered thoughtful reviews of my work. I also owe a huge thank you to thousands of homeowners and building professionals all over the country, who chose my work as an inspiration for their own projects”- said Dalia Tabbaa Freitekh.

“The Best Of LA Interiors awards are an emblem of trust and credibility for home professionals across the U.S. and around the world. We are excited to celebrate this year’s winners,” said Liza Hausman, vice president of Industry Marketing for LA Interiors..“

The COVID-19 pandemic has highlighted the critical need for people to feel comfortable before inviting pros into and around their homes. The Best Of LA Interiors badge is a powerful way for pros to communicate the trust that homeowners have in their business. It’s just one of many tools on the LA Interiors platform that help pros to communicate their unique expertise, and homeowners to find the right professionals for their projects.”
