

Eten Group logged another year of double-digit growth with strong acquisition of new customers and increasing business f

Japan, Tokyo, Feb 10, 2021 ([Issuewire.com](https://www.issuewire.com)) - Eten Group is a leading provider of bespoke solutions to the global financial services industry, announced today that it achieved record sales growth in 2019.

Eten Group divested successfully in November 2019 and continued to report strong growth in 3Q and 4Q. Following last year's success and with a robust sales pipeline in place, it forecasts double-digit revenue growth for 2020.

2019 was a remarkable year for Eten Group in terms of growth in sales, expansion of business with existing customers, and the launch of a new client portal. Eten Group is investing in their infrastructure, people, technology and information security as our clients continue to demand more from us. Our continued strong growth after rebranding indicates that the market is increasingly aware of the value and benefits we deliver to our customers."

Eten Group has a proven track record of serving a global client base of blue-chip financial institutions as well as private investors, for whom Eten Group work tirelessly to provide a return on their investments and ensure change is profitable. Our investments in a number of sectors are bearing fruit. Our clients are benefiting from our market-leading model of augmenting domain experts with technology and automation solutions, driving efficiency and superior business decisions.
