

European Taekwondo Champion and Leader Joins SportsEdTV as Senior Contributor

Nuno Damaso Swiss Leader to Author Taekwondo Rules, Rituals and Values Education for SportsEdTV Audiences

Florida, Miami, Feb 1, 2021 ([IssueWire.com](https://www.IssueWire.com)) - [SportsEdTV](https://SportsEdTV.com) has engaged with 7th Dan Taekwondo leader Nuno Damaso to provide insight and definition to the Taekwondo channel recently launched on the worldwide FREE online sports instruction platform.

“Nuno Damaso is a martial arts and health coach, Taekwondo 7th Dan, World European Taekwondo medalist, Taichi, Qigong & Yoga instructor and TCM Therapist and those credentials further solidify our high-quality commitments to the audiences practicing or considering the globally popular sport,” said Robert Mazzucchelli, Founder, and Chairman [SportsEdTV](https://SportsEdTV.com).

To share this experience, Nuno opened the Kim Taekwondo School in Basel in 1992. Nuno Damaso acquired his in-depth knowledge of martial arts through training and extended stays in Korea and China.

“Nuno’s early contributions to parents, participants, and coaches in our audiences will be a three-part series tracing the rules, rituals, and values of Taekwondo—the fundamentals and roots of the sport,” added Victor Bergonzoli CEO [SportsEdTV](https://SportsEdTV.com).

Nuno Damaso made his big international breakthrough medaling at the World Championships in Barcelona, later, confirming his position becoming European vice-champion in Ankara.

About [SportsEdTV](https://SportsEdTV.com): [SportsEdTV](https://SportsEdTV.com) exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don’t expect everyone who uses our learning tools to become a world champion - that’s not our mission.

We do expect people who use our educational resources to become their own champions, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it’s becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content and find new friends. [SportsEdTV](https://SportsEdTV.com) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
