

## FoCussed! Coffee Has Arrived With An Attitude

A new coffee and lifestyle brand is changing the way you think about both, combining flavor, fashion and attitude. FoCussed! Coffee was created with you in mind.

**New Jersey, Hackensack, Feb 2, 2021 ([Issuewire.com](http://Issuewire.com)) - Welcome To The FoCussed! Family**

FoCussed! Coffee was created just for you, the **coffee** lover. Straightforward, honest, authentic. Nothing fancy or overpriced. When we wake up in the morning, we want that cup of coffee that smells good, tastes good, and wakes us up so we can get to where we need to go.

### ***More Than Just Great Coffee, FoCussed! Is A Way Of Life***

FoCussed! Coffee was incorporated in November 2020 as a division of Expletive Brands LLC, in the midst of the pandemic, and went live with our platform, [www.focussedcoffee.com](http://www.focussedcoffee.com) in mid-December 2020. We are more than an online coffee store, we are a **lifestyle** brand that has already earned the **endorsement** of **hip hop** legend and the original King of Rap, Kurtis Blow. FoCussed! Coffee has done this with a commitment to excellence in every facet of the industry.

### ***The Coffee***

FoCussed Coffee! gets beans from all over the world and is able to produce the regional flavors that are distinct, based on the soil, temperature, and other environmental factors of the countries. [Peru](#), Costa Rica, Mexico, [Bali](#), and Ethiopia are just a few of the countries we are able to offer **coffee** from. We have partnered with a select group of purveyors that harvest the beans and then distribute them to two separate facilities based on the style and blend being produced. From there, the beans stay in their natural state until your order is received. Only then do the beans get roasted and based on whether you chose whole bean, standard, or **espresso**, are packaged at the peak of freshness in specially designed bags. A big part of FoCussed! Coffee is knowing that many of you want **organic** and **natural** food and drink going into your bodies, and we agree. We offer many varieties of organic coffee, natural coffee, and natural flavored coffee. We also note each distinction in our product descriptions, along with grading classification, if noted.

## The Lifestyle

Whether you are hard at work or hard at play, we at FoCussed! Coffee knows that you live your life the way you want, with an **attitude** that is unstoppable. You have to keep going because life doesn't stop, time doesn't stop, and neither can you.

Balancing family, friends, home and work isn't easy, so you should have high quality, comfortable, yet stylish clothing that will keep up with you. FoCussed! Coffee is proud to deliver on that end with a wide selection of merchandise and accessories. We offer such trustworthy brand names like Champion and Gildan to put our name on because we only want to be associated with the **best**. [Hoodies](#), t-shirts, [hats](#), sweatshirts, [coffee mugs](#), coffee makers, and more, if it meets your **lifestyle**, it's FoCussed!
