

Get the Essence of New Age Latin-Jazz Dance Music with Danny G Felix and Malo Malo

Join the musical energy with Danny G Felix & Malo Malo along with their latest EP 'Mi Ritmo'. He is an expert in the field of Latin Jazz and Deep House music.

New South Wales, Sydney, Feb 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Witness an amazing musical experiment by [Danny G Felix](#) and his progressive salsa group named **MALO MALO** which was formed in 2013. The artist offers the listeners an unusual blend of Latin House, Salsa, Deep House, Disco Funk, Latin Jazz and what else. The latest five-track EP by this artist, namely '**Mi Ritmo**' is garnering a lot of attention with his unique representation of deep house Latin jazz music. The EP has released under the production house of Atjazz record company. The multilayered sound design is enriched with organic elements like live percussion, piano, drums and bass as well.

Hailing from Newtown in New South Wales, this music artist has been exposed to a lot of music genres while growing up in Sydney and nurturing his musical skills in Colombia. He can be considered as the Australeño who has a knack for Latin American music. The artist is a versatile musician who is also a pianist, trumpeter, and composer as well who have worked with some of the greatest musicians like Tirso Duarte, Mayito Rivera, Deni Hines, Gregory Porter and Mike Nock. The artist has also worked with Orquesta Calibre and helped them in their track 'Charrupi'. While working with salsa music, the artist has been exposed to some remote areas of South Africa. He is representing those South African flavors through his musical creativity.

Danny G Felix & Malo Malo is one of the finest musical units that incorporate traditional salsa with new age deep house techno music. OYOBI Producer Vincent Sebastian, Rosario, and Nicole Tania have taken things even higher with high octane remix versions. Such fusion and musical experiments

are quite unpredictable for the listeners as well as other music composers in the industry. Follow this musical team over Facebook, Instagram, SoundCloud and [YouTube](#) to know more about their upcoming music and experimental works.
