Author and celebrity fitness trainer Tony Deoleo is pleased to announce the release of his new book, OFFICIAL TRAILER, CLOSING 100% OF YOUR FITNESS CONSULTATIONS After conducting over 40,000 fitness consultations, Deoleo began to take note of emerging trends that showed most new fitness professionals have a 90% chance of failing in their chosen career due to lack of business acumen. He hopes that this guide will empower readers to reform their fitness training offerings and create more efficient, streamlined, and successful programs.

In HIS NEW BOOK CLOSING 100% OF YOUR FITNESS CONSULTATIONS, Deoleo highlights the importance of expending effort wisely to achieve the maximum possible impact. Deoleo's strategy promotes incremental growth by teaching fitness professionals how to generate consistent leads and convert prospects into clients. Instead of clinging to outdated methods, Deoleo challenges antiquated business models and demonstrates how a modern market requires modern, competitive strategies.

The paperback version can be purchased at <https://tonydeoleo.com/product/closing-100-of-your-fitness-consultations-2/>

CLOSING 100% OF YOUR FITNESS CONSULTATIONS OFFICIAL TRAILER is sure to appeal to a broad variety of readers. Fitness professionals or gym owners can use Deoleo's guidance to upgrade their businesses and identify areas of future growth. The general population can also benefit from Deoleo's insights by increasing their understanding of what a comprehensive fitness program should include.

Kindle Unlimited program.
