

Hip Hop Music Act Space Boyz LLC Creates a Lyrical and Rhythmic Symbiosis in the New Song 'Money'

Upcoming hip hop music act Space Boyz LLC puts together the creative ideas of artists Paraddox Ape and Jetson! for their newly released single, 'Money'.

Lauderhill, Feb 1, 2021 ([Issuewire.com](https://www.issuewire.com)) - The contemporary traces of hip hop are being put into a mellifluous soundscape of lyrically-enriched verses by the upcoming act **Space Boyz LLC**. this time, they dish out a new song with the creative collaboration between artist Paraddox Ape and Jetson! as both artists put in their musical vigor in the making of the song. They recently came out with the single, '[Money](#)' that promotes a contemporary hip hop saga through a compelling production arrangement. Both artists expel their dynamic creativity to make the song stand out in terms of eccentricity. The use of lyrics, rapping styles, rhythmic variations, and more allow them to express their minds without any hindrance.

The hip hop group is associated with the home label by the same name. The production house

encourages all things creative from videography to artist management, marketing, and clothing. Paradox Ape's association with Jetson! started in school that soon led to a creative explosion. The song creates an expansive scope of a lyrical extravaganza that depicts the cultural and creative evolution of hip hop and rap. Inspired by the works of Chief Keef, they have kept their music real and straightforward. The song presents the complementary collaboration between the two artists in the most compelling way.

Some of the other songs by **Space Boyz LLC's** Paradox Ape include '**Gang Shit**', '**Pluto**', '**No Hook(Intro)**', and '**We Will Meet Again (Interlude)**' among others. Collectively, the group is moving towards global accomplishment with their prolific hip hop and rap verses.
