

## **Imran Nathani, MD, an Internist with Family Diagnostic Clinic**

Imran Nathani, MD, an Internist with Family Diagnostic Clinic

**New York, New York City, Feb 16, 2021 ([Issuewire.com](https://www.issuewire.com))** - Recognized as a skilled internist, Dr.

Nathani treats patients 16 years and older at Family Diagnostic Clinic in Tomball, Texas. His clinical interests include chronic medical conditions, diabetes, hypertension, high cholesterol, dementia, assisting patients in identifying their needs, and decisions regarding end-of-life care.

The doctor's practice philosophy is to help his patients any way he can, treating them like family. Friendship, he feels, is an important aspect of the doctor-patient relationship.

In practice since 1997, he is affiliated with Houston Methodist Willowbrook Hospital, HCA Houston Healthcare Tomball, CHI St. Luke's Health - The Vintage Hospital, Baylor St. Luke's Medical Center, Kindred Hospital Tomball, Memorial Hermann The Woodlands Medical Center, and Memorial Hermann Cypress Hospital. He has served as chief of staff at Kindred Hospital for four years and as chief of medicine at Tomball Hospital for several years, currently serving at Tomball as Chief of Staff elect.

Pertaining to his educational background, Dr. Nathani graduated with his medical degree from Dow Medical College in Pakistan in 1991. Upon relocating to Illinois for his training, he performed his residency in internal medicine at Advocate Christ Medical Center in 1996.

With over 30+ years of clinical excellence, he is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

A resident of Spring, Dr. Nathani is married and the father of three children. Outside of his practice, he enjoys volunteering in a community free clinic, organizing community education programs, traveling with his family, and sports.
