

International Volleyball Journalism Follows Injury of SportsEdTV Storyteller

Victoria Georgieva's Sports Passions Move from Courts to Keyboards

Florida, Miami, Feb 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](https://www.sportsedtv.com) audiences will find inspired insights from Victoria Georgieva athlete turned journalist and her contributions to the global FREE online sports education platform.

As a youth, her affinity for [volleyball](#) was hindered by no team in her hometown so she convinced her

parents to begin a team and league. Later, injury curtailed her play and she turned to sports reporting ultimately specializing in volleyball coverage internationally, including world championships.

“I expect Victoria’s unique perspective will give our audience a look at competitions from a point of view that will be very valuable,” said Robert Mazzucchelli, Founder, and Chairman [of SportsEdTV](#).

Victoria became an anchor of a popular sports show “Sports through the lens”, and began collaborating with the big international website Volleycountry.com as an Author and Content Manager.

“Victoria is an external media officer at the European Volleyball Confederation, in charge of covering main volleyball events such as the CEV Champions League and European Championships which are sources of great information and stories she’ll share with our audiences,” added Victor Bergonzoli CEO [SportsEdTV](#).

Currently living in Barcelona, Spain, Victoria has contributed also to the Italian Volleyball League and FIVB. For the latter, she did cover matches in Bologna, Italy in FIVB Men’s World Championship.

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don’t expect everyone who uses our learning tools to become a world champion - that’s not our mission.

We do expect people who use our educational resources to become their own champions, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it’s becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
