

KID AXE has Etched Out Stunning Beats of Rap with Touches of Exquisite Pop in his Latest Tracks

The very gifted KID AXE has stolen the show with immaculate rap verses and breathtaking beats of contemporary hip hop in his brilliantly performed recent numbers.

Philadelphia, Feb 10, 2021 ([IssueWire.com](http://www.IssueWire.com)) - The charismatic hip hop artist, **KID AXE** has dished out smart rap vocals in his latest tracks. He has come up with sassy vocals in the tracks '[Rose petals](#)' and '[5 Am](#)', the latter from his 18-track album 'Kids Land II: Rager's Ballad'. The brilliant artist is based out of the Philadelphia area and took to rap for more than a year and a half now. He has

broken into the hip hop scene with a bang and has made a hefty mix of hip hop and pop in the most unique style. His style of music has got a different aura and it has got a tad bit more energy than what is dished out by his contemporaries. The authentic style of the rapper has something in it that is very new and peppy.

The track, '**Rose petals**' has got a high octane rhythm that has set the stage on fire. The astounding rapper, **KID AXE** has dished out luscious confection of beautiful pop and the lyrical grandeur of rap with consummate ease. The track, '**5 Am**' has brilliant rhythmic lopping with a swagger. One can check out the latest videos on his [Instagram](#) & [Twitter](#) handle and fetch some important information about upcoming ventures as well.

His effortless and laid back style has added more spices to his tracks. The deft touches of new-age funk have made the cash registers ring and have brought a new wave in contemporary hip hop. Major streaming apps like Spotify are buzzing with his latest numbers so that the fans can now enjoy the fresh vibes.
