

## Launch of Interview Series 'JOURNALISM REVEALED'

**West bengal, kolkata, Feb 23, 2021 ([Issuewire.com](http://Issuewire.com))** - Extra! Insights announce the launch of its new video interview series 'Journalism Revealed'. In this series, EXTRA! INSIGHTS will give a peek into the world of journalism where a few of the most renowned journalists of India will decode the fourth pillar of democracy in a candid conversation with the founder, Anuj Agarwal. A lot is speculated about why news channels sensationalize content, how online media promotes fake news, and does anyone still reads newspapers; all these questions will be answered in the 'Journalism Revealed' series.

"With this series, we decided to turn the spotlight on the journalists to understand the changes the industry is undergoing worldwide, especially in India. This comprehensive interview series is unmissable for practicing journalists and students who want to be a part of the fourth estate," says Anuj Agarwal, the founder of Extra! Insights.

The series will present acclaimed journalists working on different media platforms including digital, print, multimedia, etc from varied organizations. We have journalists like Prashant Kanojia who is the editor of Bahujan magazine and ex-journalist with The Wire, Ira Mathur, the longest-running Sunday Guardian columnist from Trinidad, Bhasker Tripathi, a climate journalist and principal correspondent at IndiaSpend, Nabila Jamal, Rangoli Agarwal, and more offering an interesting mix of upcoming, veteran and international journalists covering different beats. The full interviews will be exclusively available on the EXTRA! INSIGHTS' website, IGTV, and our YouTube channel, and clips from the interviews will be available on all our social media platforms.
