Guangdong, Shenzhen, Feb 27, 2021 (Issuewire.com) - Leawo Software, a leading developer and supplier of multimedia solutions, launched its [2021 Valentine's Day celebration](#). This promotion offers Leawo iTransfer and Leawo DVD Creator as a top seller bundle with up to 40% discount.

Leawo iTransfer - As a powerful iPad / iPod / iPhone transfer tool, Leawo iTransfer helps transfer data and files between iOS devices, iTunes and computers easily. It could transfer Music, Movies, TV shows, Podcasts, Ringtones, Pictures, Camera Roll (photos, screenshots, images saved, and videos were taken), Apps, (PDF, ePub) Books, Playlists, Purchased items, etc. and save configuration documents from/to iOS devices, iTunes and computer. It supports all versions of iOS devices (iPad, iPod, and iPhone) and iTunes for data transfer and backup.

Leawo iTransfer can directly manage the iTunes library (add, remove or edit) within the software, and the great news is that iTunes will not even erase everything for this process. Designed with people in mind, this software boasts a very simple and clean user interface. When people connect their iPhone or any other iOS-enabled device, it is automatically detected.

[Leawo DVD Creator](#) - One of the most powerful DVD burning programs which can convert and burn videos to blank DVD discs without quality loss. It could burn videos in WMV, MP4, MKV, MOV, VOB, AVI, FLV, etc. to DVD discs, folders, or ISO files.

There are built-in video editing features that allow users to customize the video. Also, people can customize the disc menu with the built-in disc menu templates. What's more, it supports creating photo slideshow videos and burning them to DVD discs. Also, Leawo DVD Creator enables people to add a disc menu and [edit](#) the disc menu by adding background music/image/video, changing title position, text color, font, etc.
