A [quinceañera](#) is the celebration of a girl's 15th birthday, marking her passage from girlhood to womanhood. This is a momentous occasion. LeVenue makes it memorable. The venue has the perfect surroundings to accommodate the quinceañera and her court. There is a separate buffet area for food and drinks. The reception area holds up to 300 guests seated with a dance floor. The staff at LeVenue

LeVenue is twelve thousand square feet of pure bliss that can host all these events and more. It features various charming spaces that allow guests to mix and mingle. These include a ceremony room, reception area, cocktail lounge, buffet area, and a secret garden patio with a Cinderella carriage. All spaces are tastefully decorated to match the event. They host only one event at a time so their guests can take full advantage of the property.

The open vendor policy at LeVenue lets event hosts bring their own DJ, food, and drink including alcohol. The in-house bartender will chill and serve drinks on their behalf. The bartender also keeps track of sealed, unused alcoholic beverages that hosts are allowed to leave the property with. A dedicated banquet manager and staff take care of the setup for each event. They also refill water glasses and keep the venue clean during the event. LeVenue also provides China and stemware for events.
