

Marc Gibber, MD, Cardiovascular and Thoracic Surgeon

Get to know Cardiovascular and Thoracic Surgeon Dr. Marc Gibber, who serves patients throughout the State of Florida.

New York, New York City, Feb 9, 2021 ([Issuewire.com](https://www.Issuewire.com)) - A highly trained cardiovascular and thoracic surgeon, Dr. Gibber is focused on quality improvement and patient satisfaction. Beyond contemporary techniques, he possesses skills in minimally invasive and endovascular approaches in cardiac, vascular and thoracic surgery.

Dr. Gibber is a well recognized cardiovascular and thoracic surgeon providing patients with the highest quality cardiovascular care throughout Southeast Florida, from West Palm Beach to Miami and the Florida Keys. His mission is to provide the community with personalized excellence in cardiovascular care.

Licensed to practice medicine in Florida, Dr. Gibber is affiliated with medical facilities such as Jackson Health System, Aventura Hospital & Medical Center, Mercy Miami Hospital, and Baptist Health South Florida.

With a broad educational background, he graduated with his medical degree from the University of Maryland School of Medicine in 2005. He then went on further his training with an internship, residency, and fellowship in cardiothoracic surgery at the University of Maryland Medical Center in 2006, 2012, and 2014, respectively.

A member of the Society of Thoracic Surgeons and the Florida Medical Association, Dr. Gibber is board-certified in thoracic and cardiac surgery by the American Board of Thoracic Surgery (ABTS). The ABTS is an American surgical organization devoted to surgery of the chest.

Cardiovascular and Thoracic surgery is the field of medicine involved in the surgical treatment of organs inside the thorax and blood vessels. Cardiovascular and Thoracic surgeons are medical doctors who specialize in surgical procedures inside the thorax, which may involve the heart, lungs, esophagus, and other organs in the chest, as well as arteries and veins. Alongside performing surgery, they also diagnose and treat diseases of these organs.

Throughout his line of work, Dr. Gibber has published multiple articles in peer-reviewed journals & was awarded the Joseph M. and Corinne Schwartz Research Grant and the Robert W. Buxton Prize at the Harry L. Sponseller Research Symposium. He has also been involved in a number of extra-curricular activities, including serving on the STS Thoracic Surgery Residents Association Education Committee, the CV Quality Improvement Committee and is a member of the journal review boards for the Journal of Cardiac Surgery and Innovations: Technology and Techniques in Cardiothoracic and Vascular Surgery.
