

Mutee Abdeljaber, MD, PhD, an Allergist and Immunologist with Ascension Genesys Hospital

Get to know Allergist and Immunologist Dr. Mutee Abdeljaber, who serves patients in Grand Blanc Township, Michigan.

New York, New York City, Feb 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Abdeljaber is a fellowship-trained allergist and immunologist with over four decades of experience. He can be found on staff at Ascension Genesys Hospital in Grand Blanc Township, Michigan.

In Central Michigan, Ascension Genesys Hospital is a full-service hospital with 24/7 emergency care and surgical specialists. The doctors and care teams deliver personalized care for serious and life-threatening injuries and illnesses. They offer a wide range of specialty care services from heart and lung care to cancer, brain, and spine, and orthopedic care. They also deliver a wide range of minimally invasive procedures, diagnostic imaging, lab tests, respiratory therapy, and rehabilitation therapy services - all on one campus.

Licensed to practice medicine in Michigan, Dr. Abdeljaber is affiliated with McKenzie Memorial Hospital, McLaren Caro Region Hospital, McLaren Flint, McLaren Port Huron, and the Center for Rehabilitation at McLaren Bay Region.

At the start of his academic career, Dr. Abdeljaber graduated with his medical degree from the Faculty of Medicine of the University of Jordan in 1982. Upon relocating to the United States, he performed his internship and residency in pediatrics at Hurley Medical Center in Michigan in 1992. This was followed by a fellowship in allergy and immunology at the Children's Hospital of Buffalo in 1994.

Helping patients breathe better and live better, he is board-certified in allergy and immunology by the American Board of Allergy and Immunology (ABAI). The mission of the ABAI is to improve the quality of medical care by the development and utilization of professional and educational standards for the initial certification and maintenance of certification of physician specialists in allergy and immunology.

Furthermore, Dr. Abdeljaber is board-certified in pediatrics by the American Board of Pediatrics (ABP). The ABP exists to promote excellence in medical care for children and adolescents. Certification represents dedication by pediatricians, pediatric subspecialists, and pediatric trainees to the highest level of professionalism in inpatient care.

Allergy and immunology involve the management of disorders related to the immune system. These conditions range from the very common to the very rare, spanning all ages and encompassing various organ systems. An allergist/immunologist is a physician specially trained to diagnose, treat, and manage allergies, asthma, and immunologic disorders, including primary immunodeficiency disorders.

On a more personal note, Dr. Abdeljaber speaks English and Arabic.
