United Arab Emirates, Dubai, Feb 11, 2021 ([IssueWire.com](https://www.issuewire.com)) - Passionpreneur Publishing has announced the release of *Come Alive* by Meher Mirchandani via the publishing industry's largest global book distribution networks. The book is anticipated to have an inspiring and profound effect on its target audience.

In this must-read book, Meher Mirchandani shares invaluable insights, tools, and techniques on prioritizing yourself to transform your life.

We have all grown up to believe love is a process that completes us when we love another, and they love us back as per our expectations. This is purely to fulfill our inadequacies and the subconscious programs we hold.

If there is something missing in your life, it is you. It is the connection with yourself. This book uncovers that there is nothing missing in life and that you are enough and limitless! It sheds light on the fact that the relationship we have with ourselves is what determines the quality of every other relationship in our life. It helps you understand that you are complete.

Through this book, the author guides you to know, nurture, appreciate and fall in love with yourself. Her five-phase process will lead you to prioritize yourself, love yourself, and ultimately come alive. Being alive is being in love with yourself for who you are.

The book is now available to inspire readers across the globe through the IngramSpark distribution network and other affiliates which will cover print-on-demand across the UK, Europe, USA, Australia, New Zealand, and the Middle East. The e-book is available in 25+ online bookstores like Amazon, Kindle, Barnes & Noble, and Apple Books in the Middle East.

About the Author:
