Arizona, Mesa, Feb 9, 2021 ([IssueWire.com](http://www.IssueWire.com)) - Do you wish you were more patient when people mistreat you? Do you wish you were more loving? Jesus gave us the greatest example of love, and he wants to love others through you if you will let him.

“God's level of kindness is beyond human capability. But if God lives in you, his kindness does too.”
Pastor Rick White

Rick White has been a pastor and worship leader for almost four decades. He is also a professional musician, software architect, actor, and comedian. He is definitely not your typical pastor. Pastor Rick started Grace Online Church with his wife, Kim White, and best friend, Loel Passe, in September of 2020.

Love Is The Answer will help you understand the true source of real love. The bible shows us how Jesus loved people. The thirteenth chapter of the book of First Corinthians is often called “the Love Chapter”. In Love Is The Answer, Pastor Rick takes a new look at this important section of scripture. He will show you the secret to loving people the way Jesus did.
