

Philippines Housing Market's New Agent-User Communication Dashboard

PHILIPPINES
HOUSING MARKET

Hong Kong S.A.R., Hong Kong, Feb 26, 2021 ([Issuewire.com](https://www.issuewire.com)) - [Philippines Housing Market](#) launches a new agent user dashboard with inbox communication with prospects and calendar synchronization. The new technology provides agents with the opportunity to have a better overview and communication with the leads. Communication is now available on mobile apps as well.

When you sign up for your free account on [Philippines Housing Market](#), you get to post unlimited property listings for free while gaining exposure for your business to millions of shoppers every month. Philippines Housing Market is a dynamic market of real estate opportunities with many agents and buyers on a constant hunt for sale, rent, and rental prospects. Based out of Manila, the platform provides a space where both agents and users can reach out to each other for the best real estate dealings. From condos to residential properties, house rents, and vacation rentals, the Philippines Housing Market has integrated a bidirectional flow of communication between prospective buyers and agents across the country.

[Philippines Housing Market](#) is one of the largest real estate portals in the Philippines with more than 700,000 Properties for Sale and Rent in the Philippines.

For even more traction with your audience, download their mobile app from the [App Store](#) or [Google Play](#). For more information, visit their website at
