

Pouya Moghadam Iranian physician

Dr. Pouya Moghadam

Iran, Tehran, Feb 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - **Pouya Moghaddam** is a certified physician licensed in anti-aging, skincare, cosmetic dermatology, and laser surgery. He was born in 1988. His empathy and attentiveness have given him the avenue to train in dermatology. Dr. Moghaddam is an expert in non-surgical procedures. He started his career at Rose Gold Beauty Clinic in 2014. He inaugurated his own dermatology clinic, Pouya Medical Group (PMG), in 2016 and has been providing more than 1600 clients with a variety of aesthetic services for over 4 years. He is a member of the Iranian Center for Research and Training in Skin Disease and Leprosy.

His passion is to keep his medical devices and information up-to-date. He also had participated in workshops since commenced PMG. Some of the important certifications he gained are listed below:

- Certificate of operation Plasma Therapy (Medaria) 2017
- Clinical training for Candela Gentle Pro series 2017
- Continental Congress of Dermatology 2018
- Practical laser applications in dermatology (ESLD) 2018
- Elips Theoretical and Technical course for the non-ablative and fractional laser 2019

His Pouya Medical Group is a beauty center for permanent cosmetic enhancement, hair removal precision, medical skincare, and a whole variety of beauty procedures with its state of the art technology, and highly experienced professionals. Each PMG staff member is committed to providing customers with the most pleasant and comfortable experience possible from their first visit to their last. They always give you facts without hesitation.

PMG benefits its clients with:

- Hair removal
- Blepharoplasty with plasma therapy
- Rejuvenation with 4D laser
