

Prasad Dhamnaskar Recognised As “Marketing Maverick 2021”

Award by World Marketing Congress

Maharashtra, Mumbai, Feb 24, 2021 ([Issuewire.com](https://www.issuewire.com)) - Prasad Dhamnaskar Recognised As “Marketing Maverick 2021”

Prasad Dhamnaskar is a leading Digital Marketing Consultant based in Mumbai. He has been conferred with the title of “MARKETING MAVERICK” by the World Marketing Congress at a glittering ceremony

held on 18th February 2021 at Taj Land End, Mumbai.

This is the 3rd recognition Prasad is receiving in a row. He was selected among “100 SMARTEST DIGITAL MARKETING LEADERS” in both 2019 and 2020.

With the “MARKETING MAVERICK” recognition, Prasad has now begun 2021 with a bang. COVID-19 had impacted most businesses in 2020 but Prasad soldiered on, working with a host of Indian companies to resolve their complex digital needs.

Prasad was awarded the title based on the evaluation of parameters such as effective brand management, targeted fusion marketing, leveraging synergies & cross-branding opportunities, persuasive sales support with a focus on customer delight, agile thought leadership & CSR branding, co-creating the theory of increasing returns paradigm for customers., and experiential and educative involvement.

The “MARKETING MAVERICK” recognition is proof of Prasad’s adaptability in the ever-changing digital industry. The testimonies shared by clients are proof that his solutions have helped them in the right direction.

Backed by more than 10 years of experience, Prasad has a client base of more than a hundred Indian and International clients that have relied on him for digital success. Word-of-mouth has helped Prasad gain a lot of new clients over the years. He works with schools, organizations from diverse sectors, and individuals.

For Prasad, this recognition has helped bring new perspectives. As more companies move their business online, Prasad is prepared for new challenges. He is keen to play an active part in the digital industry for 2022 and beyond.

Prasad is aware of how quickly the digital media industry is evolving and is taking the right steps to become more adept at mastering new digital technologies. He looks forward to connecting with new businesses to craft digital strategies that can withstand the test of time.
