

Rapper find his way in the rap industry

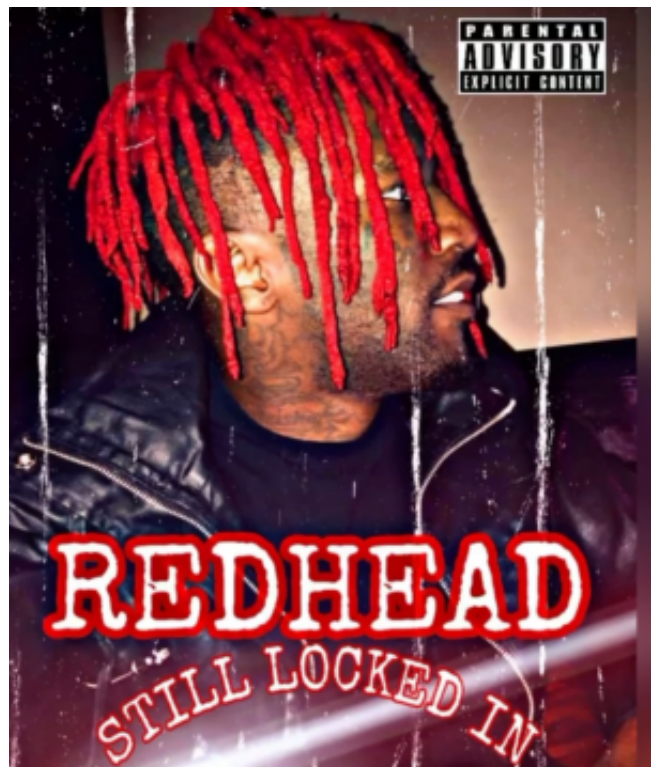

Redhead Looney is the hottest new artist in Atlanta right now and here's why

Georgia, Atlanta, Aug 27, 2021 (Issuewire.com) - Anthony Cade never thought he would ever be rapping in his lifetime. The now trending rapper with red dreadlocks goes by the name "REDHEAD LOONEY"

Born and raised in Atlanta GA Redhead grew up in the Summerhill area which is zone three. Getting in trouble in and out of prison, Redhead went to the studio with a few friends from his neighborhood and they begged him to jump on the track, after hearing the song make waves thru the streets of Atlanta he decided to make a track of his own naming the song "Real Life" He dropped a video to the which is on YouTube right now.

Redhead is an independent artist hoping to be signed to the big label he just dropped his new mixtape "STUCK IN DA STREETZ" which he funded his self with no promotion Redhead is really making a name for himself In this game. He is also from the same neighborhood as YFN Lucci hoping to be the next to blow in the industry.
