

Richard C. Khu, MD, a Diagnostic Radiologist with High Plains Radiological Association

Get to know Diagnostic Radiologist Dr. Richard C. Khu, who serves patients in Amarillo, Texas.

New York, New York City, Feb 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Khu is a highly trained diagnostic radiologist with a special interest in cross-sectional imaging. He is a part of the team of professionals at the High Plains Radiological Association.

Based in Amarillo, Texas, High Plains Radiological Association is a full-service radiology team offering high-quality solutions for unique radiological needs. The physicians are all board-certified by the American Board of Radiology and have in-depth experience in all major fields of radiology, including fellowship training in neuroradiology, musculoskeletal, body imaging, breast imaging, interventional, pediatric, women's' imaging, and nuclear medicine.

Back in 1993, Dr. Khu graduated with his medical degree from the University of Connecticut School of Medicine. He then went on to perform his internship at Tucson Medical Center, followed by his residency and fellowship at Yale-New Haven Hospital, Saint Raphael Campus.

With over three decades of experience, the doctor is board-certified in diagnostic radiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Professionally, Dr. Khu is affiliated with several hospitals and medical centers throughout the state of Texas, including BSA Hospital, Pampa Regional Medical Center, and Glen Rose Medical Center.

Diagnostic radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A diagnostic radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
