

'Right To Health' campaign initiated

Renowned Ayurveda proponent Prof. Dr. Sri Sri A V Srinivasan initiates 'Right To Health' campaign

Karnataka, Bengaluru, Feb 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Renowned Ayurveda proponent & and Ayurveda Professor Dr. Sri A V Srinivasan, has unveiled a unique initiative - the 'Right to Health Campaign'. Pujya Swamiji has been propagating Ayurveda for several decades across the world.

Pujya Swamiji, as Prof. A V Srinivasan is reverentially addressed, is himself a world-renowned expert in this field. Under his visionary leadership as the Founder Chairman of the Sri Paripoorna Sanathana Charitable Trust (R), he has established Sri Paripoorna Sanathana Ayurveda Medical College, Hospital & Research Centre at Nelamangala, Bengaluru Rural District.

Further, his noble endeavor to spread this ancient Indian practice has motivated him to launch the Institute of Integrated Ancient Healing Systems (IAHS) through which a number of wellness centers

would be launched across India & Internationally to cater to the needs of the people.
