Singing Cosplayer Hikari’s wig has been customized by one of the leading wig stylists, “shotac” who also worked for one of Japan’s most famous cosplayer, Enako.

For this cover song, professional make-up artist and writer, Hitomi Ando supported her. Her boots were made by Naoki whose work is appreciated by many professional wrestlers and J-Pop Idols. Music production was done by Precious Tone who has created much famous anime and Vocaloid songs. Movie production and lighting were done by Kenji Morita who has international popularity. Movie direction and editing were done by KAZBONGO from WOTA Tokyo who has great knowledge of Otaku culture and music.

Singing Cosplayer Hikari has been choosing her headphones e-earphone Akihabara store This time she chose  of Audio-Technica because of its wood grain.

Lastly, do check out Singing Cosplayer Hikari's social media platforms. She posts a photo wearing LucyPop school uniform and Hatsune Miku cosplay every day. LucyPop is a popular school uniform brand and is famous in and outside of Japan. The Photos have been specially created with a challenging theme taken by Maki Taguchi who does photo shooting for music artists, models, actresses, and pop idols.
