

SINTALES is the latest mobile ARPG game coming February 23

Washington, Seattle, Feb 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - Global games publisher Game Storm recently announced the new anime-style free-to-play Action RPG SINTALES, which develop by Gods Flame, would be coming to the US and South East Asia on both Android and iOS on February 23.

When players travel through the world of SINTALES, they will meet up with well-known fairytale characters, each with interesting stories and unique sides connected in the world of SINTALES. Prepare to see a fairytale with different sides never been told ever before! Fairytale characters in different anime styles! Non-stop hack and slash action with your favorite characters!

The regional pre-registration phase for SINTALES has gone live on their official website (www.sintales.com). Those who preregister will be obtaining extra in-game rewards when the game comes to life.

Android Pre-Register - <https://play.google.com/store/apps/details?id=com.ttplay.sintales>

iOS Pre-Order - <https://apps.apple.com/my/app/sintales/id1548423510>
