

SOLVE Research Names Allscripts “The Most Trusted Partner” in the 2021 Trusted Partner Report

Utah, Salt Lake City, Feb 9, 2021 ([IssueWire.com](https://www.issuewire.com)) - SOLVE Research names Allscripts “The Most Trusted Partner” for Community Hospital EHR (1 to 200 beds). The Most Trusted Partner is the vendor with the highest overall score in trust and partnership. Allscripts is one of 5 vendors included in the 2021 Trusted Partner report and is positioned highest in the Trusted Partner Quadrant.

The Trusted Partner research evaluates the interactions between hospital leaders and their vendors and provides insights on how each vendor works with their customers. Ninety-three (93) community hospital leaders within the United States participated in this study to compare the performance of five community hospital EHR vendors. Each vendor was rated on a scale of 0 to 10 for principles of trust and partnership. The principles of trust include Reliability, Aim, Capability, and Experience, while the principles of partnership are Alignment, Accommodation, Communication, and Collaboration.
